

MICRONIZED COPPER AZOLE TREATED WOOD LIMITED WARRANTY

Except for products for which a warranty is specifically excluded (as indicated on product end tag, literature and/or this warranty), original consumer purchasers of products treated with Micronized Copper Azole (μ CA-C) preservatives by Rocky Top ("Rocky Top" means Rocky Top Building Products, Inc., its affiliates, subsidiaries and TSO providers) are eligible for this NON-TRANSFERABLE RESIDENTIAL & AGRICULTURAL LIMITED WARRANTY from Arch Treatment Technologies, Inc. Rocky Top uses Arch Treatment Technologies, Inc. wood preserving products (μ CA-C), methods, systems and technology in the treatment of ProSelect™ brand products.

How to Identify μ CA-C Treated Products

It's easy to identify warranted μ CA-C products from Rocky Top. Simply look for the plastic end tag or ink stamp on each piece of μ CA-C treated wood. If the tag reads "ProSelect", " μ CA-C" and is treated by Rocky Top, it is a warranted μ CA-C product. Make sure you receive and retain all proof-of-purchase certificate(s) or end tag(s) as well as the original purchase invoice(s) from your dealer or contractor. In the event of a claim, it will be necessary to present this documentation for all materials claimed.

What the Warranty Covers

When used in an application which is consistent with the intended end use identified on the product label or stamp and in conjunction with a residential or agricultural structure located in the United States of America, then subject to the conditions contained in this Warranty, your product treated with μ CA-C preservatives by Rocky Top is warranted against such damage by termites or fungal decay as would make the lumber structurally unfit for the applications for which it was intended. **This warranty is good from the date of purchase for as long as you own the property on which your new products treated with μ CA-C preservatives by Rocky Top structures are built.** This warranty is applicable to the original purchaser and property owner only, and is not transferable to any other property owner. The original consumer purchaser will be entitled to be reimbursed for the actual, reasonable cost of new products treated with μ CA-C preservatives by Rocky Top which is purchased to replace wood which was made structurally unfit by damage due to termites or fungal decay.

Warranty Exclusions

Arch shall not be liable hereunder for damage to products treated with μ CA-C preservatives by Rocky Top resulting from any cause other than termites or fungal decay, or for any damage to wood which has been used in a structure outside of the U.S.; used in foundation systems (such as the Permanent Wood Foundation, and piling, pole or heavy timber type residential construction); used in swimming pool sidewalls; used as fence posts, vineyard stakes or tree supports in agricultural applications; used where immersed in salt water; used for commercial or industrial projects; used in commonly owned property and structures such as condominiums; or used for an application or in a way that is not consistent with the end use identified on its original label or stamp.

Arch shall not be liable for any installation, repair, construction, labor or similar costs, or for any costs or damage which may be associated with the natural characteristic of some wood to split, crack, warp, or twist. To the maximum extent permitted by applicable law, in no event shall Arch be responsible for any direct, indirect, incidental, consequential or financial damages or expenses of any kind whatsoever, howsoever caused (whether or not due to any

deficiency or negligence in manufacturing, and whether or not relating to loss, damage, death or injury) arising out of or relating to your purchase or use of products treated with μ CA-C preservatives by Rocky Top.

For hem-fir, Douglas fir, and western hemlock, this warranty is null and void unless all cut ends and bore holes were properly coated at the time of construction with a suitable wood preservative, such as Wolmanized Wood End Cut Solution, containing a minimum of 1% copper. Proof of purchase of the preservative is also required. These species are covered by this warranty only when used in the states of Alaska, Arizona, California, Colorado, Idaho, Montana, Nevada, New Mexico, Oregon, Utah, Washington, Wyoming, and Hawaii (except for unincised decking which does not meet AWPA recommended standards, which is specifically not warranted by Warrantor in Hawaii).

How to Make Claims

To obtain the necessary prior approval for, and make arrangements for, reimbursement, the original owner must send sufficient warranty labels, along with the original purchase invoice, showing that a sufficient amount of wood treated with μ CA-C preservatives by Rocky Top was originally purchased to cover the number of board feet claimed to be damaged, to Arch, at:

Wolmanized® Outdoor® Wood
Warranty Claim Administrator
Arch Treatment Technologies, Inc.
1955 Lake Park Drive, Suite 100
Smyrna, GA 30080

When making any warranty claim you may be required to send photographs and pieces of damaged wood. In addition, at the Warrantor's request, the Warrantor and its representatives and agents must be permitted to inspect and test the damaged structure.

By purchasing products treated with μ CA-C preservatives by Rocky Top you accept this Warranty and hereby acknowledge that this Warranty replaces all other representations, warranties, guarantees, terms, covenants, agreements, promises, commitments, duties of core or conditions ("Representations"), expressed or implied, statutory or otherwise, including, without limitation, any warranty of merchantability or fitness for a particular purpose, quality or suitability, and there are no other Representations whatsoever with respect to wood treated with μ CA-C preservatives by Rocky Top except the specific warranty given hereunder. Only the Warrantor is liable under this limited Warranty and the directors, officers, employees and agents shall have no liability of any kind to you or to others with respect to your purchase or use of wood treated with μ CA-C preservatives by Rocky Top.

This is a limited warranty of Arch Treatment Technologies, Inc. only.
